Charity Campaigns

Roxie's Fund continues to participate in both the **Maryland Charity Campaign** and the **Combined Federal Campaign**. This means that if you work for either the state or federal government, you can set up one-time or recurring donations to your favorite approved charity via payroll deduction. This is probably the most painless way to donate, and you can spread your desired sum over a period of time.

Roxie's Fund volunteers recently attended CFC events for Western Maryland on October 25 at Fort Detrick and for the National Capital Area on Oct. 19 at the National Institutes of Health.

This is the 50th Anniversary of the Combined Federal Campaign! This is a great time to sign up and show your support for Roxie's Fund.

It's easy to sign up!

Inquire at your workplace in order to sign up for donation to Roxie's Fund or visit us at an MCC or CFC event in your area. You will need the charity designation number for Roxie's Fund, and these vary by region for the CFC:

- Western Maryland #91236
- Central Maryland #91236
- St. Mary's County #4450
- National Capital Area #91236

For the MCC, the designation number is 2655 and is the same across the state.
